## "Sow Much Love... to Give"

Students and Chaplaincy Leaders from our Catholic high schools gathered at St. Paul the Apostle Church, Kingston to plan their Share Lent and Thinkfast Campaigns. Organized by Nadia Gundert, Youth Coordinator for the Archdiocese of Kingston, Keynote Speaker Luke Stocking from Development & Peace explained to students what this year's Share Lent theme "Sow Much Love ... To Give" was about. In a simulation game students were organized into small groups to run family farms and grow crops to support themselves and their families. Students learned about some of the challenges small family farmers in developing countries. At the end of the day everyone had a better understanding of why there is so much poverty and injustice in the world and of God's call to stand in solidarity with those who need our support.
