The Adult Volunteer of the Year Award

The Adult Volunteer of the Year award recognizes exemplary volunteer services to a school or worksite to the benefit of those staff and students of that site.

This year's recipient is Nicole Riley.

As a parent volunteer, Nicole has been notable for both her actions and her words. There is no job, task or need at St. Paul Catholic School that is not answered by Nikki with "I'm in!" No challenge seems to be unmet! From working one on one with students in various classrooms, to instructing the Roots of Empathy program in Grade 6/7. Nicole has flipped pancakes, made food for the French cafe, served as Fundraising Committee chairperson and much, much more.

In the words of the School Principal Lisa Macdonald, "Nikki Riley models Faith in Action by making a positive difference and she does it all with a smile."
