## Fish fry raises more than \$2,500 for Kingston 2 Kingston mission trip

An evening of great food, music and fellowship has raised more than \$2,500 for the Holy Cross Catholic Secondary School Kingston, Jamaica Mission Trip. The Jamaica Fish Fry, held at the school, saw a steady stream of more than 300 people come out for Mike Mundell's famous seafood. A special thanks to everyone for their support, and especially those who generously donated to the silent auction, including Sonja Gentile, Tony's Pizza, Greek Town Grill and Take-Out, Mino's Village Restaurant, Farm Boy, Laura's Kindercare and Mino's Take-Out West. A special thank you to Holy Cross student Colin Watts and his band for their great musical entertainment.
