Students retrace the steps of Sir John A.

Former Quebec Premier Jean Charest was presented with a Sir John A. Macdonald doll following the singing of the National Anthem, performed by the choir of St. Marguerite Bourgeoys Catholic School. Mr. Charest visited Kingston to lead a special Sir John A. Macdonald walk to raise awareness of the fast-approaching Bicentennial of the birth of Canada's First Prime Minister and Kingston resident. The choir performed the Anthem in French and entertained the crowd of onlookers with a few other songs as they awaited the arrival of the Premier and Arthur Milnes, Commissioner of the Sir John A. Macdonald Bicentennial Commission. *Photo courtesy Chris Price.*
